WEDDING

BEFORE, DURING, EVER AFTER

A WEDDING WEEKEND IN THE HEART OF THE CITY

At Borneta, love doesn't need a grand stage just a space for it to unfold. Nestled in Barcelona's vibrant El Born neighbourhood, our hotel feels more like a private home than a hotel, offering a stylish and intimate setting for the moments that surround your wedding: bridal showers, welcome cocktails in our atmospheric Gallery, dinners shared with your nearest and dearest, and a post-wedding brunch to linger over before everyone departs.

This is not where you rush through a schedule. This is where you arrive, gather, and stay awhile.

Our beautifully designed rooms allow you and your guests to spend the night together, turning a celebration into a true weekend experience. Every corner of the hotel, from modern interiors to curated local artworks, becomes a backdrop for connection, conversation, and joy.

Our dedicated team supports every step of your celebration, from early enquiries to final farewells, ensuring a planning journey that feels calm, considered, and genuinely enjoyable.

At Borneta, the city is your playground and our hotel is your intimate home for celebrating love before, during, and after your special day.

ALL UNDER ONE ROOF

With 92 bedrooms and suites, Borneta brings your stay in Barcelona together in one place. Days unfold at your own pace. Mornings begin slowly, evenings linger, and everything you need is close at hand, no rushing between the city and somewhere to unwind.

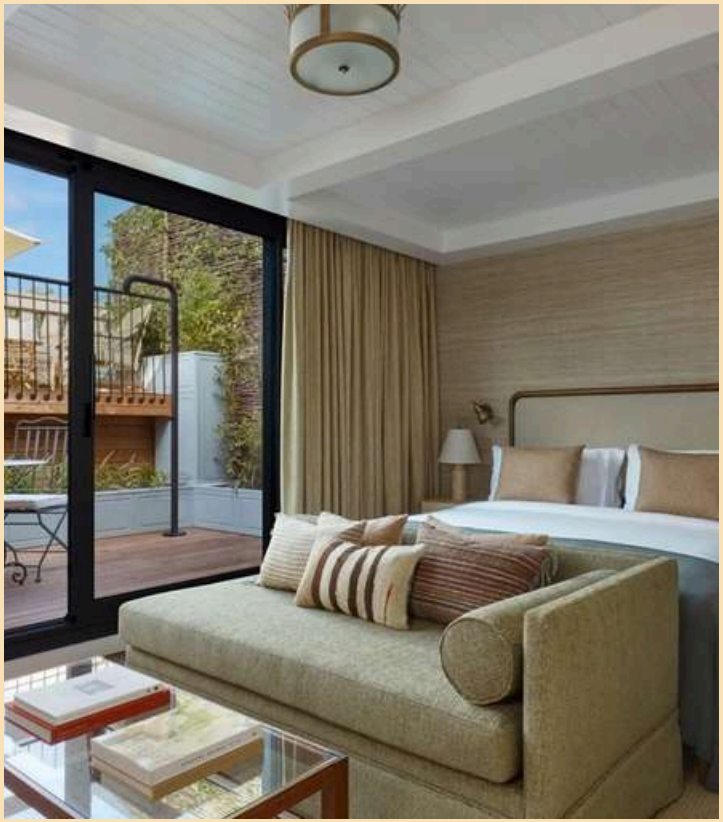

Many rooms open onto private terraces or balconies, with views over Passeig de Picasso, Carrer de la Fusina or the greenery of Ciutadella Park. Inside, each space is calm, considered and distinctly local.

Guests can enjoy interiors by James Thurstan, former European Design Director at Soho House, which draw on the creative spirit of El Born, with warm Barcelona tones, Spanish antiques, and pieces by local makers, artisans, and artists.

From intimate rooms designed for shorter stays to more generous suites, every bedroom is created for comfort and ease. Expect a handcrafted bed, a place to pause and recharge, and an elegant bathroom with a rainfall shower and Le Labo amenities. Thoughtful details throughout ensure a restful stay, whether for a night, a weekend or longer periods.

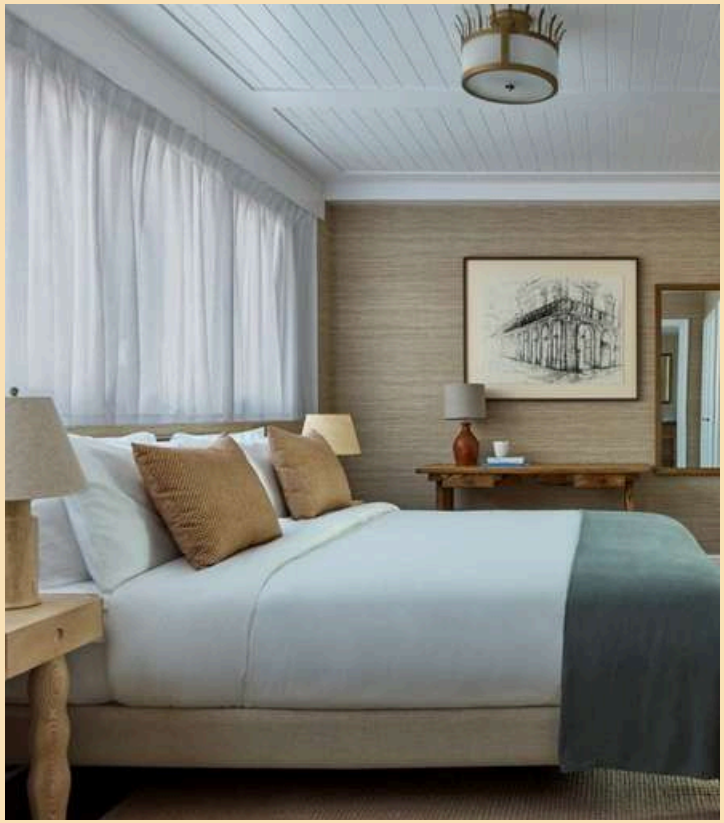

BEFORE THE DAY UNFOLDS

Our Junior Suite, Terrace Suites and The Borneta Suite offer stunning spaces to come together before the day unfolds. Light-filled, relaxed and generously proportioned, they are ideal for hair and make-up, final preparations, and those quieter moments with the people who matter most – like a celebratory toast or two on the large terrace.

FLAVOURS OF ITALY TO REMEMBER

Our food offering celebrates the spirit of an Italian neighbourhood restaurant in the heart of Barcelona. The menu embraces the warmth and generosity of Italian cooking, with handmade pasta, seasonal ingredients and dishes that are comforting, honest and made for sharing. We work closely with local organic producers, cheesemakers and winemakers to source exceptional ingredients, bringing authenticity and sustainability to every plate.

More than just a bar, Volta Bar is an extension of the neighbourhood restaurant experience. Inspired by Italy's aperitivo culture, it is a welcoming space where guests can gather from day to night over classic cocktails, Italian wines and small bites. It captures the convivial spirit of an Italian local favourite, where good food, good drinks and good company come together naturally.

Our kitchen and bar team are delighted to work with couples to create bespoke menus, thoughtfully tailored to your day, your guests and your story.
